Re: No Objection Letter for **Thien Thanh Bui**

Dear Sir/Madam

This letter is in reference to Thien Thanh Bui (date of birth: 28 March 1996), who has been a student at the University of Cambridge, Downing College, since 1 October 2016. Mr Bui is studying for a Bachelor of Arts & Master of Engineering (Computer Science).

On behalf of University of Cambridge, as the Senior Tutor of Downing College, Cambridge, we have no objection to Mr Bui getting a Schengen Visa to travel during his approved university break. We also validate that Mr Bui is able to financially support himself during the travel as he has confirmed funding for fees & subsistence from the Jardine Foundation Scholarship for next year.

If you have any other inquiries, please feel free to contact me via my email detailed below.

Sincerely,

**Dr Guy Williams**
